GEDEON N. PETIT, JR.

COLORFUL CAREER

First elected Moderator in November of 1946 defeating Joseph H. Robinson by 153 votes: 612-459 his closest margin of victory until 1968 when Gedeon N. Petit (R) defeated Gedeon N. Petit (D) by 92 votes.

"To the people of Pembroke, you are notified to meet in the community house in Pembroke on Tuesday the 11th day of March 1947."

"The meeting opened at 9:AM with Moderator Gedeon N. Petit Jr. . . ."

Thus was launched the long and colorful career of Gedeon N. Petit Jr. as Moderator of the Town of Pembroke, N. H.

The very first year the young Moderator was called back into harness two short months later for a special meeting to act on the appropriating of funds to construct Sheep Davis Road. The meeting opened at 7:30 P.M. The article was acted on favorably and the meeting adjourned at 7:50 P.M. Already moderator Petit was running a tight ship.

March 11, 1952 Moderator Petit opened the meeting in the Grammar School for the first time, a location used each year since.

Born on December 25, 1912, Gedeon Noel Petit was the oldest of four children of Gedeon Petit and Delia Cox.

Educated St. Jean Baptiste Grammar School, Suncook, N. H.
Secondary Education at Nicolette in P. Q. Canada
Concord Business College
New England Institute of Embalming Class of 1933.
(Becoming the youngest licensed embalmer in the State of N. H. opening the Petit Funeral Home the same year)

Family: Married Estelle Boisvert of Concord March 29, 1937
Five children:

Gedeon D. Petit, a certified fisheries biologist in Tennessee
Thomas E. Petit, a graduate of Stonehill College, Massachusetts
Philip A. Petit, a freshman at St. Anselm's College, Manchester
Elizabeth A. Petit, a junior at Bishop Brady High School
Charles P. Petit, a seventh grade student at St. John the Baptist

Having always shown an interest in the youth of the Suncook area, Ged was active in the athletic programs sponsored by the Church. A coach in Little League and an adult supervisor at the skating rink, Ged devoted a lot of time and leadership in the building of the gym at St. John the Baptist, and today is an active member of the Parish Council.

An avid sportsman, Ged can hold the attention of many long time residents with stories about, trout fishing, deep sea fishing, hunting and bowling. Showing a real interest in his home town of Pembroke, Ged served on the Executive Committee of the bi-centennial celebration of 1959 and is presently serving on the Pembroke Academy Building Committee and is an active member of The Kiwanis Club.

Abstract Action Taken

ABSTRACT OF THE ACTION TAKEN
IN THE TOWN MEETING OF
MARCH 10th, 1970

The meeting was opened at 9: AM by Moderator Gedeon N. Petit, Jr. Rev. Milton Smith of The Suncook Methodist Church gave the invocation. Moderator Petit read the warrant and it was moved by Normand Brasley and seconded by Compton E. French that articles number 1 & 5 be acted on now and the balance of the warrant be taken up at 7:30 P.M. This motion carried.

The following is the result of the action:

1. To choose all necessary Town officers for the year ensuing.

Total Ballots Cast	1146
Town Clerk - 1 year Kenneth Girardin	250
*John B. Goff	859
Treasurer-1 year *Fred D. Little	1003
Selectman-3 years *Roy E. Annis	727
Arthur D. Monty	396
Road Agent - 1 year *Normand P. Brasley	969
Water Commissioner-5 years	
*Gerard Brasley	452
D. Arthur McAllister	355
Eugene Pelletier	250
Trustee of Trust Funds - 3 years	
*David W. Ober	943
Library Trustee-3 years	
*Claire P. Scott	971

It was noted by the Town Clerk that:

The first man to vote was:	Richard Diehl
The first woman to vote was:	Constance Boudreau
The last man to vote was:	Allen C. Palmer
The last woman to vote was:	Florence K. Parker

The polls closed at 7:01 PM. The meeting was reopened at 7:30 PM

2. Passed. Moved by Fred D. Little, seconded by Oscar Fontaine that: the Town authorize the Selectmen to borrow money in anticipation of taxes.

3. Passed. Moved by Edward Elliott seconded by Oscar Plourde that: the Town charge twenty cents (\$.20) on and after December 1, 1970 on all unpaid poll taxes.
4. Passed. Moved by Earl Dearborn. Seconded by Erwin Chase that: The Town authorize the Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes, and authorize the Selectmen to give a deed in the name of the town, to the purchaser of such land.
5. Passed. By official ballot vote 657 yes to 265 no (needed to pass:616) that: there shall be appropriated \$3,042,000.00 for the purpose of constructing a Municipal sewage disposal system, including sewerage, storm drains, interceptors, pumping stations, treatment works and such other related facilities equipment, inclusive of land acquisition, easements and rights of way as are required: and the Selectmen are authorized to borrow said sum under the Municipal Finance Act, and to accept and contract for Federal and/or State aid which may be available to the Town.
6. Passed Moved by Theodore Natti. Seconded by Compton French that: The Town will become a member of the Regional Planning Commission, now organized and named the Central New Hampshire Regional Planning Commission. Two representatives will be appointed from Pembroke. Members to be appointed by the Selectmen in accordance with State law.
7. Passed. Moved by Fred D. Little. Seconded by Oscar Fontaine that: the Town appropriate \$2,534.20 as the Town's share for the studies and operation of the Central New Hampshire Regional Planning Commission.
8. Passed as amended. Moved by Fred D. Little. Seconded by Oscar Fontaine that: The town will exclude from the plan for Social Security coverage of its employees submitted in accordance with New Hampshire Revised Statutes Annotated Chapter 101, Section 5 - service in any class or classes of positions of election officials or election workers for a calendar quarter in which the

remuneration paid for such service is less than \$50.00. (The Amendment merely added reference to the State Enabling Act Chapter 101 of the R.S.A.)

9. Passed. Moved by Edgar Lavoie. Seconded by Compton French that: the Town accept as a gift from Herman and Eileen Moncrieff, a parcel of land measuring 20 feet by 118.5 feet as an addition to the Pembroke Hill Cemetery. This land joins the land recently purchased from Robert Williamson.
10. Dismissed. Moved by Gerard Brasley. Seconded by Roy Annis to dismiss: To see if the Town will recind its action under article 8 of the 1968 town warrant, whereby it adopted the non-partisan ballot system and to revert to the Australian ballot method of balloting (two party system) in accordance with RSA 59:72.
11. AMENDED. Moved by Ted Natti. Seconded by Ralph Scott to amend Article 11 as follows:
"Strike out Article 11 in its entirety and in its place substitute the following: to see if the town will refer the matter of improving the ordinance pertaining to subdivisions to the Planning Board for further study, to present the proposed ordinance for consideration at public hearings and to rewrite the ordinance if necessary based upon the reasonable findings of the Planning Committee, the resulting ordinance to be reported to the Board of Selectmen for inclusion in its entirety in a special town meeting to be called at the earliest practical time."
The amendment passed and the article as amended passed.
12. Passed. Moved by Edgar Bellerose. Seconded by Compton French that: The town amend its ordinance relative to mobilehomes and mobilehome parks as follows:
A. - Section 3 Paragraph 1 - Line 2, strike out the words "or alter."
B. - Section 3 Paragraph 1 - Line 6*, add after the words "Home Park" the following: "It shall be unlawful to make any alteration or addition to a mobilehome park until plans for the proposed alteration or addition, complying with Paragraph 5 of this section, has been filed with the Planning Board and has received its approval."
(*Note: The 6 in the first line was amended by motion of Edgar Bellerose seconded by Fred D. Little.)
C. - Section 5 - Paragraph 3 - Line 2, strike out the numbers "50 feet" and "75 feet" respectively and insert instead the numbers "100 feet" and "100 feet."
13. Passed as amended. Moved by Mansfield Crafts. Seconded by Oscar Plourde that: The Town adopt the following ordinance

Building Permits

1. PROHIBITION: No person or persons, firm or corporation shall, after the passage of this ordinance, construct any new building of any type, or add to or alter the exterior of any existing building without obtaining a building permit as provided herein, before starting such construction, addition or alteration. No building permit shall be required in cases where such construction, addition or alteration shall cost less than \$300.00, including the cost of labor, or estimated value of labor if the work is performed by the owner or occupant, and the cost of materials.

APPLICATION:

2. Any person or persons, firm or corporation required to obtain a permit under section No. 1 shall make application to the Board of Selectmen for a building permit on such forms as the selectmen shall approve: showing the name of the owner of the premises, and the occupant, if different from the owner: the location of the premises: The nature of the work to be done, the approximate dates construction will start. Each such petition shall be accompanied by a sketch showing the boundary lines of the lot upon which the building is to be done, the existing buildings if any, on the lot and the location of the new construction for which the permit is sought. Such sketch shall also show distances from lot lines and street lines to the buildings both existing and to be constructed, together with the size of the building, the lot, and any other information the selectmen might require.
3. PERMITS: The Board of Selectmen shall issue a permit, or reject the application, for construction described in the application and accompanying sketch, after they have examined the premises or otherwise satisfied themselves that the proposed construction is in conformity with the ordinances of the Town.*If in conformity, said permit shall be issued within 10 days of receipt of the application for the permit. The permit so issued shall cover the construction described therein and shall be void at the expiration of six months from the date of issue unless construction is begun within that time.
*(Note: The reference to issuance within 10 days was inserted by motion of Howard Berry and seconded by Fred D. Little.)
4. PENALTY: Every person, or persons, firm or corporation violating any provision of this ordinance, shall be fined not more than ten dollars for each day such violation shall exist.
5. PERMIT FEE: The fee for permits issued under this ordinance shall be \$1.00.

14. Passed. Moved by Fred D. Little and seconded by Oscar Fontaine that: the town install a street light on Rowe Avenue and to raise and appropriate the necessary funds therefore.
15. Dismissed. Moved by Paul T. Annis. Seconded by Donald Drouin to dismiss: To widen, straighten and pave Clough Mill Road.
16. Passed as amended. Moved by Roland Young Jr. Seconded by Gerald Belanger to increase the police budget by the amount of \$950.00 making the appropriation \$20,456.00 this amount (\$950.00) to bring the hourly rate of policemen to \$2.60 an hour.
17. Passed. Moved by Joseph Boudreau. Seconded by Fred D. Little to: Accept the reports of auditors, agents and committees and officers heretofore chosen.
18. OTHER BUSINESS:
Moved by Harold Paulsen, seconded by Phyllis Kimball that: The Town of Pembroke adopt the provisions of RSA 55:7 pertaining to sessions for the correction of the checklist as provided in RSA 55:6. This motion passed.

IN RECOGNITION OF JOSEPH H. ROBINSON

WHEREAS: Joseph H. Robinson served the Town of Pembroke as Selectman from 1930 through 1933. and

WHEREAS: Joseph H. Robinson served the Town of Pembroke as Selectman again for eight years from 1962 through 1969 to the Spring of 1970. and

WHEREAS: Joseph H. Robinson has served the Town of Pembroke as a representative to the General Court for the 1963-1964 term. and

WHEREAS: Joseph H. Robinson consented to again return to the general court as representative from Pembroke in the year 1969 and serves at this time with distinction. and

WHEREAS: Joseph H. Robinson, when serving as Selectman, devoted more time than any man has ever devoted before to the betterment of Pembroke:

By being aware of the needs of the Town of Pembroke.

& By patience and understanding in the request of all residents no matter the day of the week or the lateness of the hour.

& By exercising a stabilizing influence in times of stress.

& By expressing in understandable terms necessary restraint of excessive demands. and

WHEREAS: Joseph H. Robinson has exemplified all that any town could possibly hope for in a public official.

THEREFORE: We, the residents of the Town of Pembroke gathered here in public meeting on the tenth day of March in the year of one thousand nine hundred and seventy do hereby rise in a standing ovation to our favorite "Town father" and do hereby direct the Town Clerk of the Town of Pembroke to enter into the official records of the Town of Pembroke this proclamation as a permanent history of the esteem in which the residents of Pembroke hold Joseph H. Robinson.

Given under our hand and seal this 10th day of March 1970.

Armand L. Martel

Hermas Daviault

SELECTMEN OF THE TOWN OF PEMBROKE

Gedeon N. Petit, Jr.

MODERATOR OF THE TOWN OF PEMBROKE

ATTEST:

MARCH 10, 1970

John B. Goff

TOWN CLERK

It was moved and seconded at the meeting adjourned at 9:46 PM.

JOHN B. GOFF

TOWN CLERK

PEMBROKE, N. H.

Meeting February 18, 1970 - Municipal Sewage Disposal System:

To consider the incurring of indebtedness for the purpose of constructing a Municipal Sewage Disposal System, Sewerage Interceptors, Pumping Stations, Treatment Works and other related facilities.

The meeting was held as scheduled and opened at 7:42 p.m. All Selectmen were present and the Chairman, Joseph H. Robinson presided. The question being:

"Shall \$3,042,000 be appropriated for the purpose of constructing a Municipal Sewage Disposal System, including Sewerage, Storm Drains, Interceptors, Pumping Stations, Treatment Works and such other related facilities and equipment, inclusive of land acquisition, easements, and rights of way as are required and the Selectmen be authorized to borrow said sum under the Municipal Finance Act, and to accept and contract for Federal and/or State aid which may be available to the Town."

Many questions were posed by residents present and a thorough explanation of the entire program was made. The opportunity to vote on the question will by inclusion of the question on the official ballot March 10, 1970.

May 12, 1970:

Notice is hereby given of a public hearing to be held by the Pembroke Planning Board at the Pembroke Elementary School on High Street in Pembroke at 7:30 p.m. on Tuesday, May 12, 1970 pursuant to Article 11 of the 1970 Town Warrant.

The purpose of the hearing is to consider the recommendations of the Planning Board to amend the Town Ordinance pertaining to subdivision of land and to hear any other amendments which may be proposed thereto. Copies of the recommendations of the Planning Board to amend the Ordinance may be obtained from the Town Clerk.

EDGAR BELLEROSE, Chairman - Pembroke Planning Board

June 23, 1970:

The Pembroke Planning Board will hold a public hearing at the High Street Elementary School on Tuesday, June 23, 1970 at 7:30 p.m. to consider the proposed Ordinance relating to subdivision of land in the Town of Pembroke.

PRIMARY ELECTION - SEPTEMBER 8, 1970

The meeting was opened at 9:00 A.M. by Moderator Gedeon N. Petit, Jr. The invocation was by Rev. Hubert Topliff, Pembroke Congregational Church. Moderator Gedeon N. Petit, Jr. read the warrant.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF PEMBROKE, IN THE COUNTY OF MERRIMACK, IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Elementary School Auditorium in said Pembroke on Tuesday the 9th day of March next, at 9 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
3. To see if the Town will vote to charge twenty cents (\$.20) on and after December 1, 1971 on all unpaid Poll Taxes.
4. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes, and to authorize the Selectmen to give a deed, in the name of the Town, to the purchaser of such land.
5. To see if the Town will vote to accept the following named funds, in Trust, the income to be used for the perpetual care of the cemetery lots indicated.
 - A. The Forrest Huggins Fund of Two Hundred Dollars (\$200.00), the income therefrom to be used for the care of the Sam Huggins lot in Evergreen Cemetery.
 - B. The E. George Bayer Fund of Two Hundred Dollars (\$200.00), the income therefrom to be used for the care of the E. George Bayer lot in Evergreen Cemetery.
6. To see if the Town will vote to authorize the Selectmen to purchase the E-70 Payloader now rented by the Town and to apply the rent of Forty-five Hundred Dollars (\$4,500.00) against the purchase price of Eleven Thousand Seven Hundred Seventy Dollars (\$11,770.00) and to appropriate the balance of Seven Thousand Two Hundred Seventy Dollars (\$7,270.00) to be withdrawn from the Town's Capital Reserve Fund for Equipment. (This Article is approved by the Budget Committee.)

7. To see if the Town will vote to authorize the Selectmen to purchase a new Police Cruiser and to appropriate the sum of Three Thousand Five Hundred Fifty-four Dollars (\$3,554.00) for this purpose, to be withdrawn from the Town's Capital Reserve Fund for Equipment, and further to authorize the Selectmen to sell the old Police Cruiser and deposit the proceeds of such sale in the Town's Capital Reserve Fund for Equipment. (This Article is approved by the Budget Committee.)

8. To see if the Town will vote to amend its Building Permit Ordinance, as contained in Article 13 of the 1970 Town Warrant as follows:

- A. Amend Section 1 by deleting the words "the exterior of" in the first sentence of said section, so that said sentence will read "No person or persons, firm or corporation, shall, after the date of the passage of this Ordinance, construct any new building of any type, or add to or alter any existing building without obtaining a building permit, as provided herein, before starting such construction, addition or alteration".
- B. Amend Section 5 by deleting the sum "\$1.00" and substituting the sum "\$5.00", so said section will read "The fee for Permits issued under this Ordinance shall be \$5.00".

9. To see if the Town will vote to establish the Pembroke Housing and Redevelopment Authority as follows -

WHEREAS, the economic development of the Town requires an increase in tax revenues and employment which can best be provided by the further development of existing industries and the establishment of new industries; and
WHEREAS, there are substantial areas of land in the Town which are suitable for this purpose if there is an orderly redevelopment, improvement and use of the land; and

WHEREAS, the Town's interests in these matters should be represented by an authority created for each municipality of the State by Title XVII "Housing and Redevelopment" of the New Hampshire Statutes:

WHEREFORE, it is hereby declared that there is a need for a public body corporate and politic, to be called the Pembroke Housing and Redevelopment Authority, to function under the provisions of Chapters 203, 204 and 205 of

the New Hampshire Revised Statutes Annotated and amendments thereto, within the area and for the purposes outlined in the following "Redevelopment Plan" which is hereby approved.

It is further declared that the Board of Selectmen is designated as the agency authorized to approve such other development or redevelopment plans as may be proposed by the Authority within the territorial limits of the Town which is defined as the "Area of Operation".

I. **PROJECT BOUNDARY DESCRIPTION.** The "Redevelopment Plan" includes properties in the area bounded as follows:

On the west by the Soucook River which is the Concord/Pembroke line, on the south by the northern boundary of the Pembroke Street Village District to the intersection of that boundary with Brickett Hill Road, thence in a true north direction a distance of 12,000 feet, thence westerly to the Soucook River.

II. LAND TO BE DEVELOPED

1. **Properties Available for Acquisition:** Various parcels of unused land and land scarred by sand and gravel removal are located in this area. The redevelopment and use of this land will provide sites for industrial use and other essential facilities and services.

2. **Other Properties:** Such other interests in real property as may become available or may be acquired by the Authority including but not limited to easements and rights-of-way for the construction of utilities, streets, and access roads, as are necessary to meet the objectives of the redevelopment plan.

3. **Plan Objectives:** To strengthen the economic base of the Town by improvements to the land which will increase tax revenues and provide employment. The improvements consist of redevelopment of these areas for industrial and commercial uses needed for a self-sufficient industrial area.

4. **Proposed Redevelopment:** Clearing and development to adapt the area for use in accordance with the Plan Objectives.

III. LAND USE PLAN

1. **Permitted Uses:** Pending adoption of comprehensive zoning by the Town, land uses permitted on the property of the Authority will be governed by Restrictive Covenants in the deed or, in the event of leased property, by limitations imposed in the terms of the Lease Agreement.

2. **Prohibited Uses:** Uses specifically prohibited by the Restrictive Covenants of the terms of the Lease Agreement will not be permitted.

3. **Interim Use.** Any property acquired by the Authority may be devoted

to a temporary use prior to the permanent redevelopment and disposition of the property in accordance with such standards, controls, and regulations as the Authority may deem appropriate.

IV. DISPOSITION OF LAND

1. **General Provisions:** All land acquired by the Authority will be disposed of in accordance with the regulations and controls of this Plan.

2. **Special Provisions:** The Authority may adopt such provisions in addition to the above as may be deemed necessary to accomplish the objectives of the Plan but not contrary to the intent of the Plan.

V. PROVISIONS FOR MODIFICATION AND TERMINATION

1. **Modification:** This Redevelopment Plan may be modified at any time by the Authority with the approval of the voters of Pembroke at a Town Meeting, or with the approval of the Board of Selectmen, and such owners and lessees of land as are affected by such modification in the use of their land.

2. **Termination:** This Redevelopment Plan and/or any modifications therein shall be in full force and effect for a period of thirty (30) years from the date of approval of this plan by the voters of the Town of Pembroke.

10. To see if the Town will vote to establish a Board of Sewer Commissioners, consisting of three members, which Board shall perform all of the duties and possess all of the powers conferred on Sewer Commissioners by RSA 252:19; and if this Article shall be adopted, to elect, at this meeting, by ballot, three Sewer Commissioners, one for three years, one for two years and one for one year.

11. To see if the Town will vote to appropriate the sum of \$2,875.72 as the Town's share for the studies and operation of the Central New Hampshire Regional Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes. (This Article is approved by the Budget Committee.)

12. To see if the Town will authorize the Selectmen to negotiate a contract with the City of Concord to use its dump facilities for a period of one year from April 1, 1971 at a rental of Fifty-two Hundred Dollars (\$5,200.00) and to raise and appropriate said sum of money, and further to authorize the Selectmen to make necessary regulations for the use of such dump facilities. (This Article is approved by the Budget Committee.)

13. To see if the Town will vote to adopt the following Ordinance -

1. **SCOPE** - This ordinance shall apply to any subdivision of land in the

Town of Pembroke, where any new street or streets, or extension of street or streets, or an extension of water or sewer line is involved.

2. **PLANS** - The developer of any proposed subdivision of land, shall before any work is begun, submit to the Town five copies of the plans for the proposed subdivision. Distribution of plans shall be as follows: (1) Planning Board, (2) Zoning Board, i.e., District Commissioners if the development is within the Pembroke Street Village District, (3) Water Department, (4) and (5) will be master copies signed by the Chairmen of the approving boards, one for the developer and one to be recorded in Merrimack County Registry of Deeds. If the area is outside the Pembroke Street Village District, four copies will be sufficient. Planning Board will take action and notify the developers within forty-five (45) days from receipt by the Board of the plans.

3. **INFORMATION REQUIRED** - Plans required under Section 2 shall contain the following information.

(A) **LOTS** - The location of all lots shall be shown, drawn to scale of 50 ft. to the inch, and showing dimensions on all sides.

(B) **STREETS** - Location of all streets shall be shown, drawn to scale, 50 ft. to the inch, showing finished grade and percent of grade of the street together with the profile.

(C) **DRAINAGE** - Location of all drainage facilities shall be shown, i.e., the location and elevation of all catch basins, sewer pipes and culverts with their dimensions and direction of flow including elevations, sizes and materials. Also size of drainage area and size of pipes needed. Minimum size of pipes should be 12 inches.

(D) Any changes in natural drainage such as brooks, existing culverts or other natural drainage areas shall be shown, indicating the points where these changes occur and the nature of the change, including the direction of flow and the area affected if the natural flow is diverted.

4. **APPROVAL OF LOTS IN PEMBROKE STREET VILLAGE DISTRICT** - Lots in this area must be approved by the Zoning Board, or the Board of Adjustment, as the case may be, as to size, shape and area prior to approval of road layout and sewer lines by the Planning Board.

5. **LOT SIZE** - In subdivisions where individual sewerage disposal and water supplies are involved, the minimum lot size shall be 30,000 square feet. In subdivisions where individual sewerage disposal is included and the water supply is connected to a public water system the minimum lot size shall be 20,000 square feet. In subdivisions where connections shall be made to a public sewer system, the minimum lot size shall be 10,000 square feet. All

lots shall have a minimum of 100 feet on a public street or highway. These requirements shall also apply to individual house lot development.

6. **APPROVAL OF STREET AND SEWER LINES** - The location of streets, grades and drainage and the size of sewer lines to be installed shall be approved by the Planning Board, in conjunction with the Board of Selectmen, before any construction is begun.

7. **CONSTRUCTION OF STREETS** - All streets shall be constructed and all sewer lines and drainage facilities installed by the developer, at his own cost, in accordance with the following specifications:

(A) **Width of streets** - All streets shall have a minimum width of fifty feet and shall be deeded to the Town as hereinafter provided.

(B) **Paving of streets** - All streets shall have a sub base consisting of a 10 inch layer of bank run gravel; followed by base course consisting of a 2 inch layer of 1 1/2 inch crush bank run gravel; followed by a 3 inch layer of State of New Hampshire standard bituminous mix, mixed with 1 1/2 inch of crush bank run gravel; to be sealed with an application of asphalt, 1/4 gal. per square yard, in accordance with New Hampshire Department of Public Works and Highways specifications. Overall width of road to be 36 feet including gutters.

(C) **Drainage** - Adequate drainage facilities approved by the Planning Board and Board of Selectmen shall be provided.

(D) **Grades** - The maximum grades of a street shall not be greater than 8 per cent unless otherwise approved by the Planning Board.

(E) **Deadends** - All deadend streets shall have a minimum 40 foot radius turnaround.

8. **DEEDS** - When the road has been completed in accordance with this ordinance, except for graveling and bituminous mix, that is, when it is graded to subgrade and all drainage, sewer facilities, and utilities are installed in accordance with the ordinance, the developer shall then give a written notice to the Planning Board that the project has been completed according to this ordinance and is ready for inspection. The Planning Board shall then inspect said project and give written reply of acceptance or refusal to the contractor not later than 45 days of receipt of notice. If accepted, the developer shall submit a deed of the street, which shall be held in escrow by the Board of Selectmen. If the work is satisfactory at this point, the Selectmen shall accept the street conditionally, subject to graveling and bituminous mix of the street as required by this ordinance, and after installation of water mains and serv-

ices, the Board of Selectmen shall at this time notify the Water Commissioners of the conditional acceptance.

9. **WATER** - Upon receipt of notice of conditional acceptance by the Selectmen, the Board of Water Commissioners shall make a contract with the developer authorizing the installation of water mains and services in accordance with the design made by the Water Department and the Water Department extension policy.

10. **INSPECTION** - Inspection of the development shall be made periodically by the Planning Board or its authorized agent, and a written report shall be given to the developer regarding said inspection.

11. **ACCEPTANCE OF STREETS** - When installation of water mains, services and utilities are completed, the developer shall gravel and bituminous mix the

TYPICAL SECTION FOR NEW ROADS
50' RIGHT-OF-WAY
(MINIMUM REQUIREMENTS)

road as provided herein. The developer shall then give a written notice to the Planning Board that the project has been completed according to the ordinance and is ready for inspection. The Planning Board shall then inspect said project and give its acceptance or refusal within 45 days of receipt of notice. If accepted, a warranty bond, that the work is satisfactory and in conformance with the applicable ordinance, in the amount of \$2.00 per linear foot of road construction shall be furnished to the Selectmen, made payable to the Town of Pembroke, for a period of one (1) year from date of final acceptance by the Planning Board. Any defects or corrective work required shall be completed by the developer to the satisfaction of the Planning Board prior to the release of the bond.

12. **RECESSION** - All Town ordinances previously passed pertaining to new streets or subdivision of land are hereby rescinded to the extent that they are inconsistent with the provisions of this ordinance.

13. **TAKES EFFECT** - This ordinance will take effect upon its passage and continue in effect until amended or rescinded by vote of the Town.

14. To see if the Town will vote to authorize the Selectmen to employ a secretary on a regular basis; and to raise and appropriate the sum of Thirty-one Hundred Dollars (\$3,100.00) to pay the salary of such secretary for the fiscal year 1971. (This Article is approved by the Budget Committee.)

15. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1,200.00) for the use of the Conservation Commission; to create a Capital Reserve Fund for the purchase of land; and to authorize the Conservation Commission to transfer the unexpended balance of said appropriation to said Capital Reserve Fund.

16. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

17. To hear the reports of Auditors, Agents and Committees or of Officers heretofore chosen, and to pass any vote relating thereto.

18. To transact any other business that may legally come before said meeting.

The polls will be open until 7 o'clock in the afternoon.

Given under our hands and seal this 16th day of February, A.D. 1971.

SELECTMEN OF PEMBROKE

A true copy of Warrant - Attest:

SELECTMEN OF PEMBROKE

BUDGET OF THE TOWN OF PEMBROKE, NEW HAMPSHIRE

NOTICE OF AUDIT

The Auditors of the Division of Municipal Accounting, State Tax Commission, being overburdened with work, were unable to complete the audit for the Town of Pembroke in time to appear in the 1970 Town Report. It will be printed in the 1971 Town Report.

October 28, 1970

Selectmen of Pembroke
c/o Armond L. Martel, Chr.
Suncook, New Hampshire 03275

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1970 taxes on the basis of the following figures:

Net Assessed Valuation \$17,891,147.00

Taxes Committed to Collector:

Gross Property Taxes Assessed	\$644,081.29
Less: Est. War Service Tax Credits	- 17,150.00
Net Property Tax Commitment	<u>\$626,931.29 *</u>
Poll Taxes	3,340.00
National Bank Stock Taxes	<u>50.00</u>
	\$ 630,321.29

Tax Rate 3.60

* The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

Revenues and credits have been approved as shown on the enclosed copy of third page of the Statement of Appropriations.

The net amounts approved for School and County are as follows:

Net School Appropriation	\$485,505.44
County Tax Assessment	28,568.22

In arriving at the above approved rate the Overlay has been set in the amount of \$6,050.63.

Very truly yours,
STATE TAX COMMISSION

Lawton B. Chandler
Commissioner

PEMBROKE RECREATION COMMISSION

The Pembroke Recreation Commission would like to report that the second summer recreation program was an overwhelming success. We would like to extend our most sincere thanks to the Pembroke Womens Club, Pembroke Grange, Jaycees, Pembroke School Board, Local Officers of the Red Cross Unit, and to every other individual who helped during the past summer.

Most of the activities were held at the Pembroke Elementary School. The daily average attendance was around 85 children. The activities included games, basketball, baseball, softball, arts and crafts, etc.

Some of the special events included Basketball Clinic sponsored by the Manchester Union Leader. It was directed by Coach Lou D'Allesandro, Athletic Director at the New Hampshire College. Another event included a trip to Benson's Animal Farm by two bus loads of children. They spent all day seeing the animals, riding on the rides and eating.

Again both recreational and instructional swimming was enjoyed by many children. Twice a week they were taken to Bear Brook State Park for recreational swimming. Two nights a week they had instructional swimming lessons by the American Red Cross instructors at the Plausawa Country Club pool. Each night of lessons saw about 100 children taking lessons. About 60 children completed some part or all of the needed requirements. We would like to thank the Board of Directors at Plausawa Country Club and the two instructors, Donald Beaudette and Beatrice Beaudette for an excellent job.

A new program was started this winter and is under the direction of Edward Cloe, physical education teacher at Pembroke Academy. The program is for boys and girls 8 years and older. It is held at the Pembroke Academy Gym. Games and basketball are the main activities. We would like to thank Edward Cloe for undertaking this program.

We would like to thank the summer staff for an exceptional job. Frank Monahan - Director, Mrs. Patricia Holbrook - Arts & Crafts instructor, Cheryl Blanchette and Brian Bodi - Counselors. The several helpers from the Community Action program.

We will appreciate your continuing support, and thank you again.

Respectfully submitted,

ROLAND H. YOUNG, JR. - Chairman
PAUL M. GAMACHE, - Vice Chairman
GEORGE R. RAINVILLE - Secretary
RONALD A. SNELL
ARTHUR DIONNE

Although the commission is well pleased with its summer organized recreation program, it is our responsibility to provide adequate parks and playgrounds for the enjoyment of all. Incorporated in this year's budget as in the past there is a request for a reserve fund which would be used in a few years hence with proper matching funds to provide for presently non-existent facilities. First in the densely populated area of the village portion and then plan to reserve certain tracts to the north, possibly in conjunction with the conservation commission.

This will cost, it is true, but it is pointed out here as it was to budget committee members that Pembroke has not been paying a proper share for recreation purposes over the years. It has been paying approximately \$1.50 since 1967 versus the national overage of some \$7.00 per capita. If this were raised to \$4.00 in increments until 1974 it is possible that a site could be acquired and groundwork laid for a swimming pool.

It is pointed out also that Pembroke will soon benefit from United Fund drives or a local Community Chest type campaign which this commission will be willing to provide one interested member. Increased budgets from the community, local private resources and donations can lay the groundwork for any additional state or federal help which will surely become available through your diligence and proper planning on our part.

PAUL GAMACHE, Vice Chairman

Proposed budget for the 1971 Program

Admission to Parks & Recreation Centers	\$ 275.00
Little League Program	200.00
Band Concert	400.00
Memorial Field (maintenance and development)	500.00

Grand Total	8,550.00

Planning Board Report

The Planning Board is again presenting amendments to the existing subdivision of land ordinance at the 1971 Town Meeting. Attempts to gain approval of the proposed changes were nullified at the 1970 Town Meeting when the matter was referred back to the Board for further hearings.

A series of such hearings were held during the past year at which time full discussion of the changes was held. We feel that the amendments proposed are fair and vital to the orderly development of our lands and strongly urge their adoption by the voters.

For the past few years the Planning Board has attempted to have our land development follow an orderly pattern, and judging from recent reports, has worked to the benefit of the taxpayers. This policy has had its effect particularly in our elementary school enrollment for the fall term. Opening day figures show an increase of 8 pupils over the previous year. This compares with increased enrollments ranging from 19 to 86 in surrounding towns, most much smaller than Pembroke. While our population growth in the past decade was not spectacular, it was a healthy 12 per cent. Hence, as a result of this normal growth, the Town has been able to furnish its people with all the various services without resorting to emergency measures and sky-high tax assessments. A look at surrounding cities and towns will prove the point.

The Planning Board feels that if it had not been articulate in enforcing the ordinances, Pembroke would also be faced with critical shortages in its school accommodations, overtaxed public services, and a serious tax problem to meet the crises. To get an idea of what could have happened, following are some of the development proposals brought before the Board during the past year; a 100-unit mobile home park; a 36-unit housing development; a 50-unit mobile home park; a 100-unit mobile home park; plus several other requests for information leading to development of mobile home parks.

Meeting oftentimes twice a week, the Planning Board has devoted most of its time to the urgent need for onsite inspection of proposed developments, meetings with developers, preparations for hearings, etc. As a result, the Board has not had the opportunity to undertake a study of Town ordinances, facilities and other requests.

The Town Planning Board became a member of the Central New Hampshire Regional Planning Commission as a result of a vote at the 1970 Town Meeting which approved the pact. Representing the Town on the Commission during the past year were Wesley E. Brown and Paul E. St. Cyr. The regional director was in conference with the Pembroke Board on occasions and the full effect of regional planning will be felt in the years to come.

We sincerely acknowledge the cooperation of the Board of Selectmen and other Town officials, who worked hand in hand with the Planning Board during the year.

V.F.W. COMMUNITY AMBULANCE REPORT

FOR THE YEAR FEBRUARY 1, 1970 thru JANUARY 31, 1971

The ambulance covered 4,909 miles serving the towns of Allenstown, Pembroke and Hooksett, making a total of 201 calls—broken down as follows:

Allenstown.....	70
Pembroke.....	67
Hooksett.....	52
Transfers.....	10
Trips to Hanover, N.H.....	2
Dry Runs.....	4

Ten of the above calls were requested by police (either local or state)

I want to express a sincere thank you to all who help in any way to keep our ambulance service in operation: This includes donations, services rendered without charge, financial assistance from all three towns and the great cooperation we get from the police and fire departments. The following men serve as ambulance drivers, strictly on a volunteer basis—to them I am doubly grateful.

1970

To the Board of Selectmen and Citizens:

During the past year we have had an increase in house breaks, as have all the area communities.

The public could be a great help to the police if they would report anything unusual that they might see--registration numbers of vehicles in their area under suspicious circumstances or strangers walking or loitering where they do not belong.

The police and trusted friends or relatives should be notified when an extended absence is planned. Some light should be left burning in the house and all deliveries stopped. An effective deterrent for a house break for a short absence is to leave a radio playing.

We believe that the increase in house breaks is in direct relation to light sentences issued by our higher courts. Probation is almost standard for first offenses and many repeating offenders in felony cases are placed on probation.

A clever lawyer, usually paid for from public funds, may maneuver his client from a court appearance for months or even years. It would appear that there is room for improvement in our judicial procedure at the high court level.

Pembroke Conservation Commission

1970 Annual Report

Accomplishments for 1970 included continuation of the highway shade tree planting program and completion of the acquisition of the Town Forest on Brickett Hill Road.

The planting program emphasized beautification of the downtown parking area with plantings on V.F.W. property abutting the parking lot. Trees and shrubs provided by Conservation Commission funds included - 1 lilac, 1 smoke bush, 3 forsythia, 3 shad-bush, 3 deutzia, 4 mountain ash, 2 althea, 3 P. G. hybrids, 2 Norway maple, 10 Boston ivy. Peat moss and fertilizer was also supplied. Loam was provided by a generous donor. Planting was done under supervision of Conservation Commission representatives and by VFW volunteers. Construction work on the building subsequent to planting created survival problems for the plants. An additional 10 sugar maples were planted along Pembroke Road by volunteer help. Cost of the project was \$

After a year of delay, the Butterfield parcel on Brickett Hill Road was conveyed by the Society for Protection of New Hampshire Forests to the town. This tract represents the only forest parcel dedicated for use of the citizenry of our town for conservation purposes. Plans are being formulated with local groups for its future use. It is an ideal parcel having a variety of forest types and fields within its twenty-seven acres. Hopefully, this is just a start in conserving some of our town's lands as open space.

Conservation Commission funds being held in escrow for possible acquisition or other worthy uses now total \$3,867.52.

A reminder - gifts of land and funds dedicated to conservation of natural resources of our town are most welcome.

Theodore Natti
Chairman
Pembroke Conservation Commission

Charles Whittemore

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenge. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility.

Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record.

Follow these simple suggestions to help:

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned - 1970 season:

STATE	484 fires	244 acres
DISTRICT	74	67
TOWN	7	15

FOREST FIRE WARDEN

PEMBROKE FIRE DEPARTMENT

PEMBROKE, N.H.

Organized 1869

ANNUAL REPORT 1970

It is with pride and pleasure that I herein make my 9th Annual Report to the citizens of Pembroke. 1970 has been both an exciting and trying year for your Fire Department. Excitement has been manifested in the dedicated efforts of the volunteers that protect our town, and in the advanced equipment that has been utilized. The year has also been a trying one, due to increasing frequency of fires, some 102, the highest recorded number in our history. Pembroke is growing not only in number of structures but in increasing value of the structures. Growth reflects a growing potential for the number of fires and even more seriously, greater financial loss. One past fire in particular stands out as to its size and intensity, that of the French Farm last spring. Were it not for the excellent equipment so willingly accorded this department by the voters and excellent mutual aid assistance, loss of this set of buildings, as well as neighboring dwellings, would certainly have resulted.

The volunteer fire departments of America have a proud heritage of devotion and dedication. Your fire department is a fine example of citizen public service. As in years past, they continually train to perfect their chosen avocation. The degree of skill and efficiency that they have obtained is reflected in the recent report of the N.H. Board of Fire Underwriters to the Selectmen. The engineer making the survey noted that. . . "The Training Program which is under the direction of a competent Drillmaster is considered very good for a call department". . . High praise from one who has reviewed practically all of the State departments with a view of making determinations for insurance rates. As well as giving of their time, the firemen gave some \$1,500 of their own funds last year to purchase equipment. Of the 8 engines the town currently has in service, the firemen have purchased 5 and equipped 1 other.

In conclusion, I should like to make further reference to the recent report of the Fire Underwriters regarding your fire department. This report on a comparative survey covers all aspects of the town's fire-fighting capabilities. It included many recommendations - two of which I should like to bring to your attention.

1. *Tank truck and pumping capability.* Each town is rated as to the number of gallons per minute its fire engines are capable of pumping. This figure is based upon the number and size of buildings in the town. Currently, our

town is some 250 gallons short of needed capacity. The Fire Underwriters have recommended that Engine No. 4, our large tanker, be retired as it is obsolete, both to its age and its low pumping capacity. This second-hand engine was purchased by the firemen 4 years ago. It carries the largest volume of water of any of our engines and is needed in the back part of town where there are no hydrants. We need to replace this engine with a new one with a large capacity water tank and a larger pump to make up for our pumping deficiency.

2. *Replacement of present fire station.* The Underwriters have pointed out that the present station . . . "is unsuited to the needs of present day fire services" . . . It was recommended that the new location be selected within one mile of the high value district (downtown) and three miles of the residential area.

Respectfully submitted,

JACOB CHASE,
Chief Engineer

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF
PEMBROKE QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Pembroke Elementary School in said District on the 6th day of March, 1971 at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose two Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To see if the District will vote to authorize the School Board to negotiate a dual enrollment agreement, as provided in RSA 193:1A, with St. Jean Baptiste School, subject to approval of the State Board of Education; and to raise and appropriate the sum of Ten Thousand Eight Hundred Dollars (\$10,800.00) to defray the costs of implementing said agreement, and further to authorize the School Board to apply for and accept any grants available to the District for this purpose under RSA 198:21.
6. To see if the District will vote to authorize the School Board to use the unexpended balance of the Bond Issue for the purchase of Pembroke Academy, in the amount of Four Thousand Eight Hundred Thirty-two and 74/100 (\$4,832.74), for the purpose of making principal payments on that Bond Issue.
7. To see if the District will vote to authorize the School Board to establish a Special Education Class with the Allenstown School District; and to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for that purpose.
8. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other Officers or Agents of the District.

9. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

10. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

11. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District Officials and Agents and for the payment of Statutory obligations of the District.

12. To transact any other business that may legally come before said meeting.

The polls will close at four o'clock.

Given under our hands and seal this 16th day of February, A. D. 1971.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Having been your Superintendent for a very short time, I am unable to report on past accomplishments but will offer some observations on what appear to be most pressing problems and suggest some alternative solutions.

Housing is the most urgent problem in most Districts. We should closely examine new methods of construction, such as pre-fabricated and pre-engineered building, concrete slab buildings and portable classrooms and compare them with the more traditionally constructed schools.

Curriculum revision must be constant. Our schools must place more emphasis on those pupils who complete their formal education in the public schools. Study and evaluation can show which courses are relevant to the 1970's and which should be scrapped or changed.

The structure of the school must be scrutinized as to its effectiveness in each area. Campus type schools, open concept schools, team teaching, mini-courses of short duration, humanities approach and other innovations can bring education alive to the disinterested child.

By 1973, State minimum standards must be met by all schools in the State. They are too long to reproduce here; however, several copies are available at the Superintendent's office for loan.

The School Department appreciates your fine support of the schools.

Richard A. Belcher
SUPERINTENDENT

REPORT OF PEMBROKE ACADEMY HEADMASTER

Mr. Richard Belcher
Superintendent of Schools
151 Main Street
Suncook, New Hampshire 03275

Dear Mr. Belcher:

The following is my annual report as Headmaster of Pembroke Academy.

Enrollment As Of September 9, 1970

	Grade 9	10	11	12	Total
Allenstown	39	28	25	23	115
Candia	—	—	—	1	1
Chichester	18	13	13	15	59
Epsom	30	24	23	20	97
Hooksett	0	1	18	11	30
Pembroke	69	73	56	59	257
Deerfield	—	—	—	1	1
Total	156	139	135	130	560

Enrollment As Of January 5, 1971

	41	28	25	24	118
Allenstown	41	28	25	24	118
Candia	—	—	—	1	1
Chichester	18	13	13	15	59
Epsom	31	27	24	21	103
Hooksett	—	1	18	11	30
Pembroke	69	71	56	59	255
Deerfield	—	—	—	1	1
Total	159	140	136	132	567

Crowded conditions continue to be of concern. The anticipated enrollment for next fall is 605. This represents an increase of 40 students over our current enrollment. There is no question that this situation will cause an even more acute

scheduling problem for the next academic year. The Academy is currently operating on an "early release for work experience" schedule (staggered schedule) which allows us reasonable flexibility when scheduling student electives to available space. It is assumed, at this writing, that a similar schedule will be implemented for at least one more year. Currently, we are bringing seniors and juniors in at 7:30 a.m. and dismissing them at 1:00 p.m. Freshmen and sophomores are reporting at 9:30 a.m. and being released at 2:42 p.m.

This year saw the beginnings of a new program in horticulture. Federal monies in the amount of \$22,950.00, were allocated to the Pembroke School District for the purpose of constructing two plastic greenhouses and a head house. These areas were equipped and supplied for a first year course in greenhouse management. Great credit is due Mr. Robert Johnson and Mr. Richard Kallgren for their vital contributions in time and expertise. Twenty-eight students are enrolled in this year's program and the impact of such a program has been received with great interest and enthusiasm by teachers and students. The community seems to be equally enthusiastic about the program and the decision to move ahead with such an offering now seems completely justified. We will continue to improve the opportunities of such a program keeping in mind the needs of the students and the capacity of the community to support such a program.

In anticipation of our building program, the Academy has initiated, through the superintendent's office, curriculum studies with the four elementary systems that make up the area school concept. Curriculum study committees in the major academic areas have been meeting all fall to review current strengths and weaknesses in program offerings and content in grades one through twelve. I consider this to be a project of vital importance and something that has needed doing for many years. The ultimate goal of such a study would be the evolution of courses of study that would complement the elementary and secondary programs. This complementary study would be further aided by the development of formal course syllabuses for grades one through twelve.

The plans for the new addition have moved ahead slowly due to several unanticipated obstacles. However, the delay - at least in one sense - has been advantageous in-as-much as it has given staff time to become involved with the actual arrangement of new space. The architect has been more than cooperative in seeking staff ideas as to how the new space can best fit the needs of the program. As a result, I am firmly convinced that the new addition will allow us to

provide offerings in such a manner as to best serve the needs of the student body.

I wish to take this opportunity to thank the members of the Pembroke School Board for their thoughtful and competent direction and counsel concerning the many problems facing our schools. My sincere thanks to Superintendent Richard Belcher, Ass't Superintendents Frank Kaffel and David Cawley for their support, encouragement, and advice. My thanks to staff who continue to provide dedicated and competent instruction. Many thanks to the parents and students whose cooperation and interest continue to be most exemplary. It continues to be my observation that the young people who attend the Academy are among the very best. The communities that send their students to us can take justifiable pride in the integrity of their students.

Respectfully submitted,

WILLIAM H. MARSTON,
Headmaster

Report of the Board of Water Commissioners

The Commissioners of the Pembroke Water Works are pleased to present the following summary of the Water Works 1970 operations.

At the monthly meeting of March 10, 1970 Mrs. Helen Petit was elected Chairman. Mr. Maurice Lavoie was elected Clerk of the Commission.

At the July 1970 meeting the resignation of Treasurer Mr. Richard Labbe was read and reluctantly accepted by the Board. Mr. Labbe has entered the life of matrimony and both Mr. Labbe and his wife have accepted employment in another part of the State. Mr. Kenneth Girardin was appointed as the new Treasurer of the Pembroke Water Works.

There has been a slight increase from the sale of water during the past year. This was due to a rate increase that was granted by the New Hampshire Public

Utilities. This rate increase went into effect July 15, 1970 and we should henceforth realize some revenue improvement in the commercial and industrial sales of water.

This year the Water Works has extended two hundred and twenty-five feet of 6" main on Smith Ave. and eighteen feet of 10" main was replaced at the Main St. bridge job.

An additional hydrant was installed in our system. Three old hydrants were replaced with new modern hydrants. A hydrant painting program was initiated this past year, approximately half of our hydrants were cleaned and painted.

Twenty-three new services were added to our system (thirteen in Pembroke and 10 in Allentown). A survey of service curb stops was started this past year and in the neighborhood of 300 services have been newly located and re-drawn on new style service record cards.

Sixty-seven new meters were added to the system. Customary meter work was done throughout the year. A complete survey, in the field and the office, of meter numbers, names and addresses was completed and this resulted in a new system, henceforth affording us a cross index of meter numbers and customer identification.

A considerable amount of work was done at the pumping station. The inside of the station was cleaned and painted from ceiling to floor. The grounds were cleared and the roadway was oiled and sanded. A new gate way was also erected.

The grounds at the 1,000,000 gallon tank site were cleaned and cleared. A new stone wall, with gate openings, was also built.

The only piece of machinery bought by the department, this past year, was a new adding machine.

At the July, 1970 Commissioner's meeting, a review of wages, hours and benefits of all Water Works employees was conducted. It was decided to raise the wages and increase the benefits of all employees. This went into effect July 23, 1970.

HARTFORD, NELSON & COMPANY
CERTIFIED PUBLIC ACCOUNTANTS
124 PLEASANT STREET
CONCORD, NEW HAMPSHIRE 03301

January 21, 1971

To the Board of Water Commissioners
Pembroke Water Works
Pembroke, New Hampshire

We have examined the accompanying balance sheet of the Pembroke Water Works as of December 31, 1970, the related statement of revenue and expense and the reconciliation of cash receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, with the exception that we were not present to observe the physical count of the inventory of materials and supplies.

In our opinion, subject to the above exception regarding the inventory, the accompanying balance sheet, statement of revenue and expense and reconciliation of cash receipts and disbursements present fairly the financial position of the Pembroke Water Works at December 31, 1970 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
